We are pleased to have Crisafulli Elementary School as a Preferred School. We've assigned the following Preferred School number of 900085911 to your school. This number is used for the 3% Cash Back program. We look forward to delivering quality apparel, great value and outstanding customer service to all the Crisafulli Elementary School families.

STEP 1: LOCATE YOUR SCHOOL

Go to landsend.com/school and click on "Look up your Preferred School number or dress code."

Choose the "School Name" Tab

Fill out each field:

State: MA City: Westford and School Name: Crisafulli Elementary School. Hit FIND SCHOOL.

Once you've located your school, click on the orange "shop using this number" button. Now every time you order a School Uniform item, your school number will automatically be applied to that item, giving your school 3% of your total back.

STEP 2: ORDERING ONLINE

Using the "search window", type in a product style number or product name. If that results in multiple products being displayed, please select the item with "uniform" in the name. Simply pick the color and size that you need, apply the correct logo, if applicable, and place that item in your shopping cart. Continue shopping in that same manner until you've ordered all the products that you need.

If you have any questions or need help, just contact us at 800-469-2222.

Best wishes,
